Stage 1 – Semester 1 – Exam Timetable

Dear Parent/Caregiver,

Semester 1 Exams for **Stage 1** students will be held during **Week 8 of Term 2**.

The exam schedule can be found on the next page of this letter.

Students are required to attend all of their examinations and attend all of their regularly scheduled lessons. Students who are not doing exams have ongoing coursework to do.

Attendance at exams is **compulsory** and students need to arrive promptly to each of their exams. All exams will be held in the subject's classroom. If for some reason a student cannot sit for an exam, the school must be contacted prior to the start of the exam and a medical certificate is required. Students will be supported in catching up on any exams missed through negotiation with their teachers.

Besides being a part of their assessment, examinations provide students with necessary experience in preparing for and sitting an exam. Over the past few years, our senior school results have increased significantly due to this improved culture. We use these strategies to support your child in improving their results and achieving greater academic success.

If you have any questions, please contact the school on 8258 9855.

Yours sincerely,

Brad Stubing
