## Stage 1 – Semester 1 – Exam Timetable

Dear families,

Exams for **Years 8, 9 and 10** students will be held during **Week 8 of Term 2**.

The exam schedule can be found on the next page of this letter.

Students in Years 8 and 9 are required to attend **all of their examinations and regularly scheduled lessons**. Students who are not doing exams have ongoing coursework to do.

Students in Year 10 are to attend **only their exams and scheduled PLP interviews** Monday, Tuesday and Wednesday. Their ordinary classes resume on Thursday and Friday.

- Unless they negotiate work with teachers in class time, students must study at home Monday-Wednesday and attend only for their exams or PLP interviews.
- Students should not leave school between exams. Supervised study is available in the library Tuesday lesson 2 and 3.
- On Thursday and Friday the normal Year 10 timetables resume and students must attend all classes.

Besides being a part of their assessment, examinations provide students with necessary experience in preparing for and sitting an exam. Over the past few years, we are proud to see our senior school results increase due to this improved culture, and proud to see our junior students developing this resilience and work ethic. We use these strategies to support your child as they improve their results and achieve great academic success.

Attendance at exams is compulsory and students need to arrive promptly to each of their exams. All exams will be held in the subject's classroom. If for some reason a student cannot sit for an exam, the school must be contacted prior to the start of the exam and a reason provided. Students will be supported in catching up on any exams missed through negotiation with their teachers.

If you have any questions, please contact the school on 8258 9855.

Yours sincerely,

Jessica Cannon
