PARAFIELD GARDENS HIGH SCHOOL GOVERNING COUNCIL INC.

Dear Parent/Caregivers

We have a vibrant, effective Governing Council that sees parents, members of the community, students and staff working together to improve Parafield Gardens High School. We could not achieve continuous school improvement without recruiting new members who, can bring us new ideas, and a new range of skills and opportunities. Please consider making a commitment to Governing Council and to strengthening our links with parents and the community.

Julie Stuckey
Chairperson

Governing Council plays a significant role in the school's policy and directions, and in the cycle of planning, implementing, monitoring and reporting
