## PGHS Mobile Phone Exemption Request

At PGHS we have implemented a Mobile Phone Policy (refer to website) that restricts student access to Mobile Phones throughout the school day. No un-pouched device is permitted on school grounds or at any school activity offsite during school hours unless part of a specific learning experience (approved by teacher) or for students that have an approved exemption for specific phone use.

Please note exemptions will only be approved for medical reasons as supported by medical advice and where no other option is available. When exemption has been approved the student is allowed to use their device for the purpose of exemption only and should not be using mobile phone during the school day for other reasons. Exemption will be reviewed by Senior Leader TT/Daily Operations.
